SPRING SESSION

WCPL is happy to bring a third year of a wide array of FREE art, culture, history and science programs to local residents while empowering people to lead active lives and enrich their community. The project is made possible through a gift from the estate of the late Helen Eileen Barr-Plummer and her late husband Dr. Gayther Plummer.

Our Vision Statement: Washington Carnegie Public Library is the cornerstone of a growing community: welcoming people of all ages and cultures; strengthening neighborhoods and learning networks; and inspiring all with the world of ideas.

The Mission of the Washington Carnegie Public Library is to promote the development of independent, self-confident, and literate citizens through the provision of open access to intellectual, informational, cultural and entertainment resources.

Please remember: These are carefully planned presentations. If you have children in attendance please be mindful that those who are disruptive will be asked to leave the room out of courtesy for our paid speaker and patrons. We appreciate your help in preserving an enjoyable and beneficial experience for all.

Brochure Design: Jacob Sipes

CALLING ALL ROSIES: WOMEN'S HISTORY

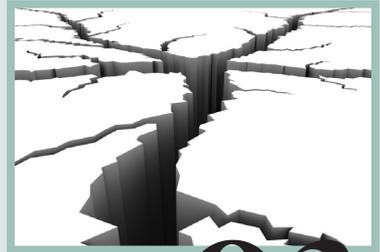

Join us as a real-life "Rosie the Riveter" (Angie Timan-Morthland) from the American Rosie the Riveter Association presents on Honoring Working Women of World War II. What is a Rosie? What did she do? Why was she important? Come learn about this often overlooked part of history that touches each of our lives in some way. <http://rosietheriveter.net/>

*Adults, Teens And Youth Grades 3+ with Supervision.

march **20**
6:30 - 7:30 pm

MIDWEST EARTHQUAKES: DR. GARY PAVLIS

Join us for a "shaking" good time at WCPL. Dr. Gary Pavlis (Professor of Geological Sciences, Geophysics, Seismology, and Tectonics at Indiana University) will talk to us about Midwest Earthquakes. Learn more about Dr. Pavlis here: <http://geology.indiana.edu/pavlis2/index.html>

april **03**
6:30 - 7:30 pm

*Adults, Teens and Youth Grades 4+
w/ Parental Supervision.

BINGO FOR BOOKS: GAME TIME

Build your own library by playing BINGO for books. Family Fun. Intended those birth through grade 6 and their parents. Don't worry teens, we will have a special book-winning game for you this fall!

april **07**
10:30 - 11:30 am
12:00 - 1:00 pm*

*REGISTRATION REQUIRED
Ages 0-6

HOME & HERD

april **18**
6:30 - 7:30 pm

Stampede to the library for a fun and informative Distance Learning program (via Skype) by the Elephant Sanctuary's Education Team.

We will learn about the elephants living at the Sanctuary, a day in their life, human caregiver roles, elephant species difference, and more! We will also view the EleCams which allows viewers to experience natural elephant behavior in a natural setting and enables them to become familiar with the elephants, their history, habits, and how moving to The Sanctuary has changed their lives.

*All Ages.

WHICH DNA TEST IS RIGHT FOR YOU?

TIM PHIPPS

This is an introductory class on DNA testing for those interested in researching their family. Get an overview of what different tests are available, what each test can reveal, and which tests are offered by the major DNA testing companies. Before you spend money on a test or if you want to maximize the money you have already spent, come out and join us to learn the basics of genetic genealogy. Presenter: Mr. Tim Phipps, president of the Wabash Valley Genealogical Society and acknowledged DNA expert as it relates to genealogy and family history.

may 18

6:30 - 8:00 pm

*Adults and Teens

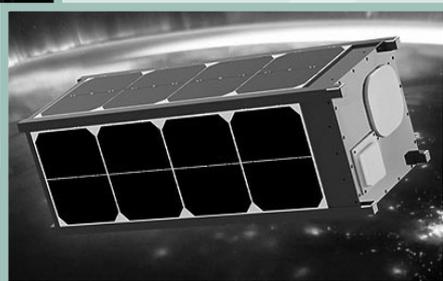

NASA UNITE CubeSat PROGRAM WITH USI

may 22

6:30 - 8:00 pm

An extraordinary team of undergraduate students from the University of Southern Indiana, including a local from Montgomery, IN, have been building and designing a small spacecraft, known as a CubeSat, since September of 2016. The UNITE (Undergraduate Nano Ionospheric Temperature Explorer) received a grant from NASA to design the CubeSat and the UNITE mission has secured a launch for late 2018 to the International Space Station. Come learn about the CubeSat and the students and professor that are making it possible.

*All Ages.

BRYAN FURUNESS

AUTHOR

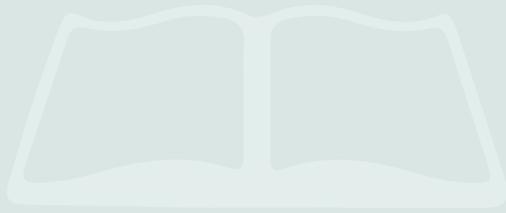

june 7

6:00- 7:00 pm

Furriness, fierceness, funkiness: This is what autocorrect thinks you really mean when you type in his name! Bryan Furuness is the author of *The Lost Episodes of Revie Bryson*, a novel. His next novel, *Do Not Go On*, will come out in the winter of 2019. With Michael Martone, he is the co-editor of *Winesburg, Indiana*, an anthology. His next anthology, *My Name was Never Frankenstein: And Other Reanimations of Classic Adventure Tales*, will be forthcoming from Break Away Books in the fall of 2018. His stories have appeared in *Ninth Letter*, *Sycamore Review*, *Southeast Review*, *Hobart*, and elsewhere. His essays have appeared in *Brevity*, *Nashville Review*, and *Barrelhouse*, among other venues. His work has been anthologized in *New Stories from the Midwest*, *Not Like the Rest of Us: An Anthology of Contemporary Indiana Writers*, *Best American Nonrequired Reading*, and elsewhere. He is a recipient of the Tennessee Williams Scholarship in fiction from the Sewanee Writers' Conference, a finalist for the Society of Midland Authors award, and a winner of the Midwest Short Fiction contest. He holds an MFA from the Warren Wilson Program for Writers and has edited for several literary magazines and small presses, including *Booth*, *On Earth As it Is*, *Engine Books*, and *Pressgang*, the small press he founded at Butler in 2012. He lives in Indianapolis, where he teaches at Butler University and serves on the board of *Engine Books*. This author visit is made possible through a grant from the Indiana Humanities Novel Conversations Speakers Program.

*Adults, Teens and Grades 4+ w/Parental Supervision.
